

Bachelor of Science Nursing – RN to BSN

The more experience and education Registered Nurses have, the higher their earning power. The BSN is the foundation for higher post graduate study. When compared to on-campus programs, Online Bachelor of Science Nursing – RN to BSN programs offer a more flexible schedule.

Unitek College's Online Bachelor of Science Nursing - RN to BSN program offers an invaluable online student-oriented learning environment which is paired with knowledgeable and experienced faculty. Our graduates will be equipped with the necessary skills to advance in the job market to become managers, advocates, teachers, researchers, and leaders in our healthcare community.
