EMPLOYMENT REPORTING TO THE BUREAU FOR PRIVATE POSTSECONDARY EDUCATION (BPPE)

Unitek College's California campuses are licensed to operate by the California Bureau for Private Postsecondary Education (BPPE). As a licensed institution, Unitek College is required to report performance outcomes on School Performance Fact Sheets (SPFS), which are updated annually. The SPFS is provided to every enrolling student to review and acknowledge.

The College has aligned its graduate employment tracking methods with the criteria required by its institutional accreditor. Since these methods conflict with the criteria specified by BPPE, the College has opted to report zero graduates employed in the field on the SPFS.

For the College's current graduate employment rates as reported annually to the Accrediting Commission for Career Schools and Colleges (ACCSC), please refer to the College website at:
